

LUCKY 13, DO YOU KNOW THAT YOU'D BE VERY VULNERABLE IF YOU'D RUN INTO AN OBJECT ON OR ALONG THE ROAD? SO WHEN YOU'RE GOING FOR A RIDE...

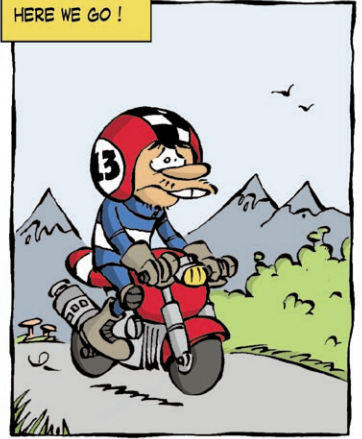

### BE CAREFUL

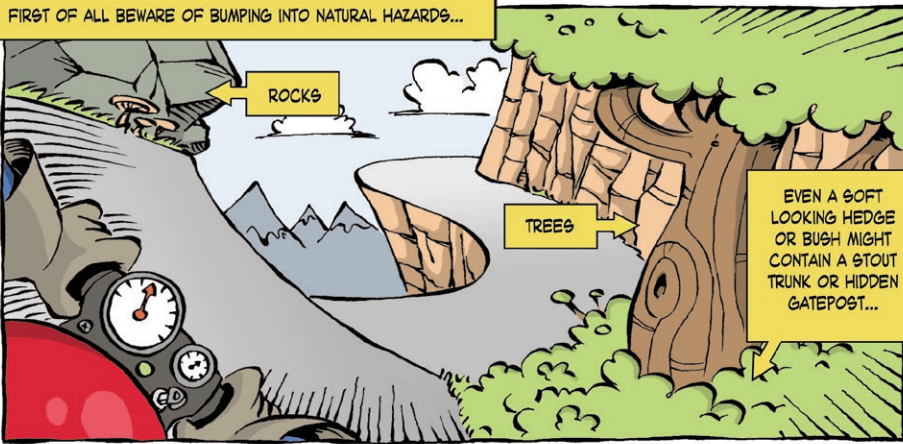

OKAY...THAT MIGHT SOUND A BIT HARSH, SORRY...THERE'S NO NEED TO BE AFRAID...JUST RELAX...AND TAKE GOOD NOTE OF THIS ADVICE...

HERE WE GO !

FIRST OF ALL BEWARE OF BUMPING INTO NATURAL HAZARDS...

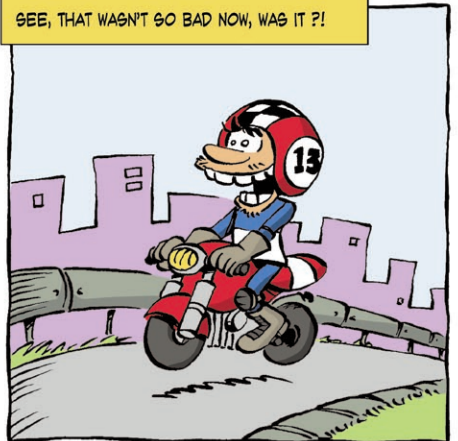

MOUNTAIN ROADS OFTEN HAVE A SOLID CLIFF ON ONE SIDE AND A STEEP DROP ON THE OTHER, SO WATCH OUT...

AND OF COURSE THERE'RE ALSO MANMADE HAZARDS TO BE RECKONED WITH...

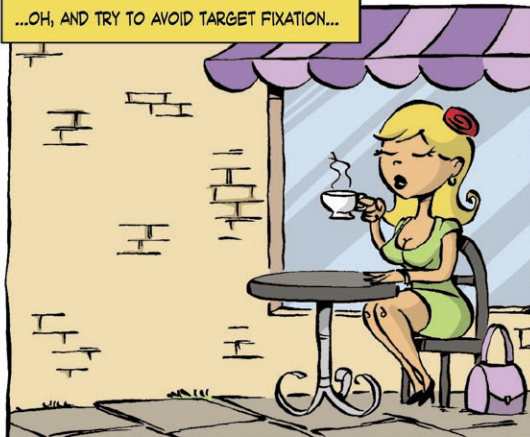

SEE, THAT WASN'T GO BAD NOW, WAS IT ?!

JUST BE SENSIBLE ABOUT YOUR SPEED AND THE WAY YOU CUT YOUR CORNERS AND ENJOY THE RIDE...

...OH, AND TRY TO AVOID TARGET FIXATION...

YOU TEND TO GO WHERE YOU LOOK...
